Head of Department – Wigs / Make-Up (m/f/d)

Full-time, fixed-term position (48 hours/week)

Do you have experience leading a wardrobe or wigs/make-up department, love live entertainment, and want to lead a team on tour for a musical production? Then apply to join our team at **System Provider Eventmanagement GmbH**.

YOUR RESPONSIBILITIES

- Responsible for planning, organizing, and coordinating the wigs/make-up team
- Develop work and workflow plans in collaboration with artists and production
- Prepare hairpieces, wigs, and make-up touch-ups according to the artistic requirements
- Maintain, clean, repair, and care for wigs
- Safe packing of equipment for transport
- Style, repair, and maintenance throughout the entire production period
- Set up and break down the department at each venue
- Work closely with the costume department
- Apply hairdressing skills, particularly in men's haircuts
- Maintain a structured, calm, and solution-oriented approach under touring conditions

YOUR PROFILE / QUALIFICATIONS

- Minimum age: 21 years
- Completed training as a make-up artist, hairdresser, or wig maker
- Advanced skills in wig construction and hand-knotting highly desirable
- Experience in leading a team and coordinating a department
- Background in musicals, theater, or touring productions
- Professional hairdressing training and/or experience with men's haircuts
- Good understanding of technical processes and stage operations
- High resilience and flexibility regarding working hours
- Strong team player with a solution-oriented work style
- Excellent German and/or English language skills

WHAT WE OFFER

- Fair and competitive remuneration, including applicable allowances.
- Paid overtime
- All travel and accommodation expenses covered
- A committed and professional team
- Opportunities for professional development and a unique live-stage experience.
