WIG TECHNICIAN / MAKE-UP ARTIST (m/f/d)

Full-time, fixed-term position (48 hours/week)

Do you have experience as a wig technician and make-up artist, love live entertainment, and want to be part of a touring team for a major musical production? Then apply to join our team at **System Provider Eventmanagement GmbH**.

YOUR RESPONSIBILITIES

- Care, maintenance, and daily preparation of wigs and hair equipment for all performers
- Wig knotting/ventilating is an advantage; cutting and fitting wigs, as well as carrying out repairs throughout the entire production run
- Cutting and styling performers' natural hair, including production-specific styling techniques such as "schneckeln"
- Cleaning, maintaining, and properly packing equipment for transportation
- Setting up, dismantling, and organizing the Make-up / Wig department at each venue
- Working closely with the costume department and other production departments
- Sharing responsibility for ensuring the smooth running of rehearsals and performances
- Potentially deputizing for the Head of Department in their absence

YOUR PROFILE / QUALIFICATIONS

- Completed training as a Make-up Artist as well as Hairdresser and Wig Maker or experienced
- Experience in musicals, theater- and/or touring productions
- Skilled in knotting, adjusting, and repairing wigs
- Confident with cutting techniques for natural hair and hairpieces
- High flexibility and resilience
- Strong team player with a solution-oriented approach
- Excellent communication skills in German and / or English

WHAT WE OFFER

- Fair and competitive remuneration, including applicable allowances.
- Paid overtime
- All travel and accommodation expenses covered
- A committed and professional team
- Opportunities for professional development and a unique live-stage experience.
